

# Tax Preparation Fees & Pricing Structure

Our pricing reflects current industry standards and accommodates a range of financial situations. I specialize in small business LLCs and wellness professionals—including doulas and midwives—but serve anyone seeking careful, personalized tax preparation. Whether your return is simple or involves multiple income streams, you can expect professional, attentive support for accurate results and peace of mind.

## **Essentials – Form 1040**

Starting at \$175: Includes Form 1040 with Schedules 1–3. Ideal for straightforward individual income situations, providing accurate, compliant preparation with minimal complexity.

## **Add-Ons – Additional Schedules & Forms**

Additional schedules and forms start at \$25–\$200 each and may include:

- Schedule A (Itemized Deductions)
- Schedule B (Interest & Dividends)
- Schedule C (Self-Employment / LLC Income)
- Schedule D (Capital Gains)
- Earned Income Tax Credit (EITC)
- Form 8962 (Premium Tax Credit Reconciliation)
- Form 8995 / 8995-A (Qualified Business Income Deduction)

## **Hourly & Flat Fees – Record Cleanup & Special Services**

For record reconstruction, organization, or complex support:

- **Hourly Rate** – Document organization or extensive review
- **Flat Fee** – Advisory services beyond standard preparation  
Written estimates provided upfront to ensure full transparency.
